

Side #2 -- Camilla, Gary, Clarence, Old Man Clover, Ruby

CAMILLA That's why you're so grouchy? And I thought it was because of my appetizers. That certainly cheers me up.

GARY Your appetizers are divine, darling.

CAMILLA Shush, Gary. Dad is talking.

CLARENCE Dad is accusing.

OLD MAN CLOVER That's right. I know that it wasn't an ordinary robbery.

CLARENCE What do you mean? Were the robbers ninjas or something?

GARY

Ninja?

CAMILLA

Shush, Gary.

CARSON Don't you have a security system at the house? I don't understand how this could have happened.

RUBY Maybe you should get a dog? I love dogs. And they can help secure your home.

OLD MAN CLOVER I had a security system. A state of the art one. And it didn't help.

RUBY What about a dog?

OLD MAN CLOVER And that's how I know it was an inside job! I know it was one of you who robbed me. My own family.
