

Side #5 -- Hoolihan, Jacobs, Camilla

DETECTIVE HOOLIHAN Camilla Clover-Van Horten, we'd like to talk to you first.

CAMILLA Me? First? Well, that must be because you want to want to get my interview out of the way. After all, there's no way I could have done this. Besides the fact that I loved my father ever so dearly, I was near the light switch when he was killed. Of course, if there was anyone that you should be considering a suspect, it should be my brother. Clarence has always been able to lose money. One way or another, he would. Usually it was gambling. That's why he's not involved in the family business anymore.

JACOBS Of course, he's not the only one with a dark past.

CAMILLA No? Who else? Carson's wife. I assume she's gold-digger, but I thought she was too dim to be involved in anything criminal.

JACOBS No. Not Amber.

CAMILLA Well, you certainly can't mean anyone in my immediate family. Gary is an open book, and my Tim is a tech genius.

JACOBS A little smaller.

CAMILLA Who? Me? You can't be serious.

DETECTIVE HOOLIHAN I'm afraid part of what was salvaged from the file related to you.

CAMILLA Hoolihan, this is ridiculous. You've known me and my family for years. You can't think that I killed my father.

DETECTIVE HOOLIHAN But I can think that you might not be all you seem.

CAMILLA How so?
