

Side #6 -- Marigold, Hoolihan, Jacobs

JACOBS Marigold Clover. It's your turn.

MARIGOLD I'm ready for my close up.

DETECTIVE HOOLIHAN You're Old Man Clover's granddaughter, correct?

MARIGOLD That's right.

DETECTIVE HOOLIHAN Now, Marigold, where were you when the lights went off?

MARIGOLD I was right over there. And before you ask - I did notice people moving about. And I heard some strange sounds. But I didn't think there was anything wrong until the yell. I thought maybe the robber really was giving the clover back. Or Cousin Hank had gas.

JACOBS Have we met before? Because there is something so familiar about you?

MARIGOLD No. We haven't met.

JACOBS I don't know what it is.

DETECTIVE HOOLIHAN The murder? The robbery?

MARIGOLD I am an actress. Maybe you've seen me in something before?

DETECTIVE HOOLIHAN That's not very likely.

MARIGOLD Why do you say that?

DETECTIVE HOOLIHAN Well, according to your family, you were only in one play several years ago.
